

WHAT'S WIGGLE WORSHIP?

Do you have a young child whose nap-time falls in the middle of worship, or who can't seem to last through Sunday School AND Church?

Why not give Wiggle Worship a try? This family service begins at 9:00 am during the summer months beginning in June and moves to 9:30 am on the Sunday after Labor Day.

The service begins with music warm-ups in church, followed by a child-friendly Eucharist with words and story easily accessible to children, but meaningful for parents as well.

Worship will last a half hour, followed by refreshments. If you so desire, the kids can stay for the SPARK Workshop. The children meet downstairs, listen to a story and complete a related art project. Parents are invited to relax with a cup of coffee and the paper, join the next service to hear the adult sermon, or even run an errand during the 30 minutes children are in Workshop.
