

Let's welcome our asylum-seeking family, the

Makuebo's, with Christmas cards!

Just imagine how fun it will be for this family (in this time of necessary social distancing) to go to their mailbox and to receive cards from all of us!

Please take a few minutes and send this family a card (or note, if you don't have a card handy)

with a short welcome and Christmas greeting (a great way for them to start to learn English!)

with a picture of you and your family, if you have one (wonderful way for them to connect names with faces!)
